## WE SHARE **THE ESSENCE OF COSTA RICA** WITH THE WORLD

In 1998, **PROCOMER** launched an initiative to invite four buyers from Mexico to meet with Costa Rican exporters. Over the years, this event grew in scale and impact, becoming BTM, the most important business roundtable in the country and the region.

After 27 years of the Buyers Trade Mission (BTM), we have evolved into the **Costa Rica Trade and Investment Summit**. This event brings together buyers, investors, exporters, multinational companies, and suppliers all in one place.
