Organisers

World Trade Center Mumbai

Established in 1970, WTC Mumbai is a premier trade promotion organisation in India as well as a member of World Trade Centers Association (WTCA) New York. It is a 'Not-for-profit' organisation with a mission to foster and strengthen India's international trade and industrial growth through global collaborations and connections, and it also provides effective and innovative trade services by offering world class business facilities, trade promotion, educational programmes and research.

All India Association of Industries

Established in 1956, AIAI has always been proactive in establishing a platform to promote Trade and Investment between India and the world. Its endeavor to create a global platform is evident in organizing and hosting trade delegations from all over the world. Annually, AIAI hosts over 60 trade delegations and organizes various networking / B2B meetings, seminars and conferences.
