

# Agrasen Engineering Industries Pvt Limited

# Agrasen Engineering Industries Pvt. Ltd. India

**Plant-1, Jaipur**

**Precision Machining**  
**Bearing Components:**  
**1 Million/Month**  
**Cam Rollers:**  
**10 Million/Month**

**Plant-2, Jaipur**

**Forging Capacity:**  
**600 Tons/Month**  
**High Speed Hot Former-1**  
**Precision machining:**  
**5 Million/Month**

**Plant-3, Jaipur**

**Forging Capacity:**  
**9500 Tons/Month**  
**High Speed Hot Formers -5**  
**Heat treatment:**  
**2000 Tons/Month**  
**Martensitic, Carburizing,**  
**Induction**

**Plant-4, Pune**

**Forging Capacity:**  
**2000 Tons/Month**  
**High Speed Hot Former-1**  
**Vertical Transfer press Line-1**

**Plant-5, Jaipur**

**Dedicated plant for Exports**  
**CVJ**  
**Gen 3**  
**Rollers**  
**Assembly**  
**Sensor & Electronics**

## Product Portfolio

- TRB Rings
- CRB Rings
- HUB 1 Rings
- HUB 3 Rings
- Plunger
- Housings
- Pins
- Cam Rollers
- DGBB Rings
- Needle Bearing rings
- WPB Parts
- Special Auto Parts
- Stub Axels
- Cam Lobes
- CVJ Cage
- CVJ Rollers

# Sustainability road map

- 100% energy by Renewable sources by 2030.
- 20% energy currently from Renewable – Self Generation - **Achieved**
- 75% reduction in paper use by 2025.
- 40% water requirement by reusable water / rain water storage – 6 additional recharge wells installed.
- Gender Equality
- Recyclable Packaging – 50% reduction in corrugated boxes use by 2023 - **Achieved**
- Carbon Neutrality by 2040.
- Third Party Certification of Carbon footprint - **Achieved**
- GreenCo Certification by 2024 – Under final phase of Audit
- Energy Efficient Installations – Target 2025
- 2MW solar Power project listed in Global Carbon Council, Qatar in July 2022 - **Achieved**
- Another 10MW project listing in progress. – Target 2025
