Invitation to appoint a pavilion organizer for United Arab Emirates at Nor-Shipping 2025

Dear Mr Matrooshi,

It is my pleasure to send you an official invitation to appoint an exclusive organizer of a United Arab Emirates pavilion for Nor-Shipping 2025.

Nor-Shipping is a leading biannual global maritime arena visited by 50,000 executives from 84 countries. Nor-Shipping will celebrate 60 years in 2025, and the week will be filled with conferences and high-level meetings on all aspects of the ocean industries with a focus on shipping and, ocean energy and related supply industries. Influential visitors include the Norwegian Crown Prince, the Norwegian Prime Minister and more than 30 international ministers from all over the world.

Nor-Shipping has five exhibition halls with a total of 22,000 m² of exhibition space, and the week includes many social and networking events.

Nor-Shipping has [national pavilions](#) from Japan, South Korea, Spain, Denmark, Germany, Singapore, The Netherlands, Norway, France, Switzerland, Turkey, Italy, USA, and Finland, and we are looking to appoint a premier organizer to group key maritime players from the UAE to exhibit under the UAE flag.

We already have Drydocks Dubai, Al Mufaddel, Aries, and DP World registered, but we hope to see AD Port, Enoc, ADNOC, and many more in 2025.

Nor-shipping will take place in Oslo and Lillestrøm from 2-6 June 2025.

We hope that you can help direct us to the ideal organizer of a UAE pavilion for Nor-Shipping 2025. Let me know if you need more information from us at this point. Your support is much appreciated.

Sincerely,
