Everything you need for flawless tone
and glowing skin

Nourishing face primer oil

PREP & CARE

PROPERTIES

- For massage, skincare and make-up
- Quickly absorbed
- Does not clog pores
- For all skin types

RESULTS

- ✓ Moisturizes and nourishes the skin, eliminates flaking
- ✓ Smooths the skin, prolongs the durability of make-up
- ✓ Improves complexion and restores radiance

ACTIVE INGREDIENTS

Peruvian wild rose oil, cherry seed oil, California jojoba oil, chamomile, mint, rosehip and sage extracts, squalane

HOW TO USE

Apply a small amount of oil to prepare for makeup or has a standalone product. Wait until the oil is completely absorbed.

VOLUME: 30 ml

also included in the section

for face

Universal foundation

SECOND SKIN LIQUID FOUNDATION SPF 20

PROPERTIES

- Adaptive coverage – adjusts to your natural skin tone
- Lightweight, luminous finish
- A weightless yet dense coverage that completely conceals imperfections without emphasizing them

RESULT

- ✓ A weightless yet dense coverage that is comfortable to wear throughout the day
- ✓ Does not clog pores or creases, gives the skin a natural glow
- ✓ Three shades: for fair, olive and tanned skin

HOW TO USE

Prepare and moisturize your skin well before applying foundation. Apply the product to your face, chin and neck with your fingers, a sponge or a brush.

VOLUME: 30 ml

3 adaptive shades

MAKEUP • FACE

Illuminating concealer FRESH GLOW

PROPERTIES

- The convenient applicator makes it easy to apply and distribute the concealer precisely on the skin
- The flexible coverage can be adjusted from a barely noticeable veil to a dense, opaque tone
- Blends seamlessly and layers over other products

RESULT

- ✓ Stays put and doesn't smudge throughout the day
- ✓ Multifunctional application: suitable for spot concealing, contouring, highlighting and lifting makeup
- ✓ Nourishing formula prevents dryness and flaking

ACTIVE INGREDIENTS

Niacinamide, squalane, vitamin E

HOW TO USE

Using the applicator, apply to areas requiring correction or imperfections. Blend with your fingertip, brush or sponge.

VOLUME: 10 ml

Medium

Cheek tin

COLOR SALUTE LIP & CHEEK TINT

PROPERTIES

- 3-in-1 formula: lipstick, eyeshadow and blush
- 11 vibrant shades
- Easy to blend with fingers or a brush

RESULT

- ✓ Natural blush and sun-kissed effect
- ✓ Natural contouring
- ✓ Fashionable monomakeup

HOW TO USE

Blend a small amount of tint onto your cheeks, lips and/or eyelids using your fingertips, a sponge or a brush.

Liquid highlighter for face and body

COLOR SALUTE GLOW DROPS

PROPERTIES

- Liquid formula in drops
- Bright, shimmering shades
- Easy to blend with fingers or a dense brush
- Suitable for all skin tones

RESULT

- ✓ Any level of radiance: from natural to dazzling
- ✓ Fashionable "wet" shine
- ✓ Long-lasting, non-fading finish

HOW TO USE

Blend a small amount of the product onto the cheekbones, above the upper lip and/or on the eyelids with your fingertips, a sponge or a brush. Add another layer if necessary.

VOLUME: 9,4 ml

Solar

All-IN-ONE pencil for eye and lip makeup

COLOR SALUTE UNIVERSAL MAKEUP PENCIL

PROPERTIES

- Multifunctional pencil in beige shade
- Corrects the shape of eyebrows and lips
- Soft texture and long-lasting formula
- Suitable for the mucous membrane and corner of the eye

RESULT

- ✓ Neat and finished makeup with light accents

HOW TO USE

Use the pencil as an eyeliner, concealer or highlighter – conceal imperfections, add highlights, emphasize the mucous membrane or the cupid's bow above the lip.

VOLUME: 1,2 g

Cream blush in a stick

CREAMY GLOW BLUSH STICK

PROPERTIES

- Convenient and aesthetic packaging format, easy to use and carry in your handbag
- The delicate creamy texture is easy to blend, creates even coverage and does not emphasize skin imperfections
- Three trendy nude-pink shades: Pink Bronze, Baby Peach and Velvet Rose
- Rose Suitable for monochrome makeup: can be applied to cheeks, lips and eyelids

RESULT

- ✓ A light soft-focus effect refreshes and gives the skin a healthy glow
- ✓ Even application with a rich and long-lasting shade
- ✓ Provides additional skin care

ACTIVE INGREDIENTS

Jojoba oil and vitamin E

HOW TO USE

Blend a little tint onto your cheeks, lips and/or eyelids with your fingertips, a sponge or a brush.

Long-lasting formulas for
an expressive look

Long-lasting eye pencil

COLOR SALUTE SLIDE & STAY

PROPERTIES

- 10 bright shades
- Soft lead
- Suitable for winged eyeliner, smoky eyes and inner rim lining
- Does not smudge on drooping eyelids

RESULT

- ✓ Bright and natural eye makeup
- ✓ Ultra-durable eyeliner and smoky eyes that won't fade throughout the day

HOW TO USE

Use as an eyeliner for the upper and lower eyelids and mucous membranes, or blend into a smoky effect. Can be used as a base for eyeshadow.

Eyebrow pencils

COLOR SALUTE DEFINE & SHAPE

PROPERTIES

- Double-ended pencil: soft lead and flexible brush
- Natural shades without reddish undertones
- Soft lead
- No sharpening required

RESULT

- ✓ Fluffy, wide, neat eyebrows
- ✓ The drawn hairs look natural

HOW TO USE

Comb your eyebrows with the built-in brush. Unscrew the pencil and draw hairs on empty areas to give your eyebrows the desired shape.

Sable

Tinted mascara for volume and hold

COLOR SALUTE DEFINE & SHAPE

PROPERTIES

- Optimal pigmentation for a natural effect
- 2-in-1 formula: fixing and coloring
- Convenient brush for flawless application
- 3 natural shades for all color types

RESULT

- ✓ Gives your eyebrows the desired shape and fixes it for a long time
- ✓ Fills in sparse areas and brightens the natural shade of your eyebrows
- ✓ Preserves the natural look of the eyebrows without sticking the hairs together

HOW TO USE

Apply the mascara with the brush, gently combing the hairs to fix them in place. For extra volume and thickness, fill in the gaps between the hairs with light strokes.

Mocco

Taupe

Brow fixing gel

COLOR SALUTE DEFINE & SHAPE

PROPERTIES

- Small, convenient brush for combing and styling
- Transparent gel leaves no white residue
- Lightweight formula sets quickly without stickiness

RESULT

- ✓ Securely fixes and neatly styles eyebrows without sticking hairs together
- ✓ Makes eyebrows appear wider and thicker
- ✓ Strengthens hairs, accelerates their growth and adds shine
- ✓ Suitable for all eyebrows

ACTIVE INGREDIENTS

Niacinamide, aloe vera

HOW TO USE

Apply a small amount of gel to the eyebrows using the brush. Comb and shape as desired. To make the eyebrows appear wider, brush the hairs upwards.

VOLUME: 5 ml

Thermo mascara for volume effect

EXTRA VOLUMING TUBING

PROPERTIES

- Flexible silicone brush
- Moisture-resistant formula
- Easy to wash off without special products

RESULT

- ✓ Creates multidimensional volume on lashes
- ✓ Does not irritate sensitive eyelids
- ✓ Applies evenly without clumps or flaking

HOW TO USE

Coat your lashes by brushing from root to tip. For natural volume and an expressive look, apply two coats of mascara.

VOLUME: 10 ml

Long-lasting eye shadow pencil

LONG LASTING EYESHADOW STICK

CPROPERTIES

- Convenient stick format and weightless creamy texture
- 4 basic shades: one matte and three with a delicate sheen
- Easy to blend even without tools
- There is a sharpener on the back of the stick
- Suitable for smoky eyes, defining the lash line or as a base for dry textures

RESULT

- ✓ Expressive and deep eye makeup
- ✓ Stays put and bright all day long
- ✓ The soft texture does not spoil the makeup: does not dry out the eyelid and does not roll into folds

HOW TO USE

Apply the eyeshadow to the entire mobile eyelid and blend carefully, as desired. Control the thickness of the stick with the sharpener on the back of the stick and combine with other shades from this line or OK Beauty eye pencils.

No dryness or flaking: bright shades and long-lasting formulas for flawless lip makeup

Lip balm with peptides

REPAIR EXPERT SPF 12

PROPERTIES

- Unique patented formula with peptides and hyaluronic acid
- Effectively protects against cracks and flaking, ideal SOS remedy
- Does not weigh down, does not stick, does not feel like a film on the lips
- Ideal as a base for lip pencils or matte lipsticks

RESULT

- ✓ Lips are protected from UV rays and damage: flaking, cracking and dryness
- ✓ Acts as an SOS remedy and effectively restores the skin
- ✓ Can be used on its own or combined with other products

ACTIVE INGREDIENTS

Peptide complex, hyaluronic acid, avocado oil and vitamin E

HOW TO USE

Apply with the applicator as a standalone product or over lipstick, lip pencil or tint.

VOLUME: 10 ml

Longlasting matte lipstick

COLOR SALUTE MATT & STAY

PROPERTIES

- 8 bright and natural shades
- Velvety matte finish, liquid texture
- Nourishes and softens lips
- Convenient pointed applicator

RESULT

- ✓ Long-lasting lip makeup that does not smudge or fade
- ✓ Suitable for precise contours and a "blurred" finish
- ✓ Does not dry out the lips or settle into fine lines

ACTIVE INGREDIENTS

Shea butter

HOW TO USE

Use the applicator to outline and fill in the lip contour. For a "kissed lips" effect, blend the contour with your finger or a cotton swab.

Brushes, cosmetic bags, sponges and more. Your tools for flawless looks

MAKEUP SPONGES

PROPERTIES

- Ideal shape: the pointed tip makes it easy to apply product to hard-to-reach areas (nose wings, eye and lip areas, etc.), while the flat bevel is perfect for cheeks, chin, forehead and neck.
- Suitable for applying foundation, BB and CC creams, concealer, highlighter, powder, sculptor, bronzer and blush.

HOW TO USE

For cream products: lightly dampen the sponge, squeeze out excess water, leaving it moist, and apply the product with light patting motions. Blend if necessary.

For dry products and to remove excess from the face and neck: use a dry sponge.

After each use, wash the sponge with warm water and soap.

CASE FOR COSMETIC SPONGES

PROPERTIES

- The case provides convenient storage, use and transport, protects the sponge from bacteria, dust, deformation and damage, extends its service life, and is suitable for sponges of various sizes and shapes.
- The case is made of soft, high-quality and wear-resistant silicone, is well ventilated thanks to its holes, and allows you to store both dry and wet sponges.
- Convenient for applying makeup, as it acts as a sponge holder.

BLUSH / HIGHLIGHTER BRUSH F01

PROPERTIES

- This versatile, ultra-soft oval brush provides perfect, sheer application and even blending of blush, highlighter and any dry textures.
- Made from premium vegan corn fiber that mimics natural squirrel hair, it is particularly durable and soft, ensuring perfectly even application.
- Customized size and ergonomic design allow for comfortable use of the brush for professional/everyday makeup application and storage in a cosmetic bag.
- The set includes a mesh bag for storage, transport and washing, which preserves the shape of the brush and extends its service life.

HEIGHT WITH BRISTLES: 173 mm

CONTOURING BRUSH F02

PROPERTIES

- This multifunctional slanted brush provides soft application and blending of cream/dry textures for perfect contouring and color accents on the face. Thanks to its shape, it is suitable for applying sculpting, blush, bronzer, tint and highlighter to any area of the face.
- Made from premium vegan corn fiber that mimics natural protein bristles, it is particularly durable and soft, ensuring perfectly even application.
- The customized size and ergonomic design allow you to comfortably use the brush for professional/everyday makeup and store it in your makeup bag.
- The set includes a mesh bag for storage, transport and washing, which preserves the shape of the brush and extends its service life.

HEIGHT WITH BRISTLES: 161 mm

FOUNDATION BRUSH F03

PROPERTIES

- The round brush with a flat cut and optimal filling is ideal for applying and blending all types of foundation and cream textures of any density. It provides perfect seamless coverage, allows you to smooth out unevenness/pores and layer the product to achieve the desired effect. Leaves no traces and uses product economically.
- Made from premium vegan corn fiber that mimics natural protein bristles, it is particularly durable and soft, ensuring perfectly even application.
- Customized size and ergonomics allow for comfortable use of the brush for professional/everyday makeup and storage in a cosmetic bag.
- The set includes a mesh bag for storage, transport and washing, which preserves the shape of the brush and extends its service life.

HEIGHT WITH BRISTLES: 161 mm

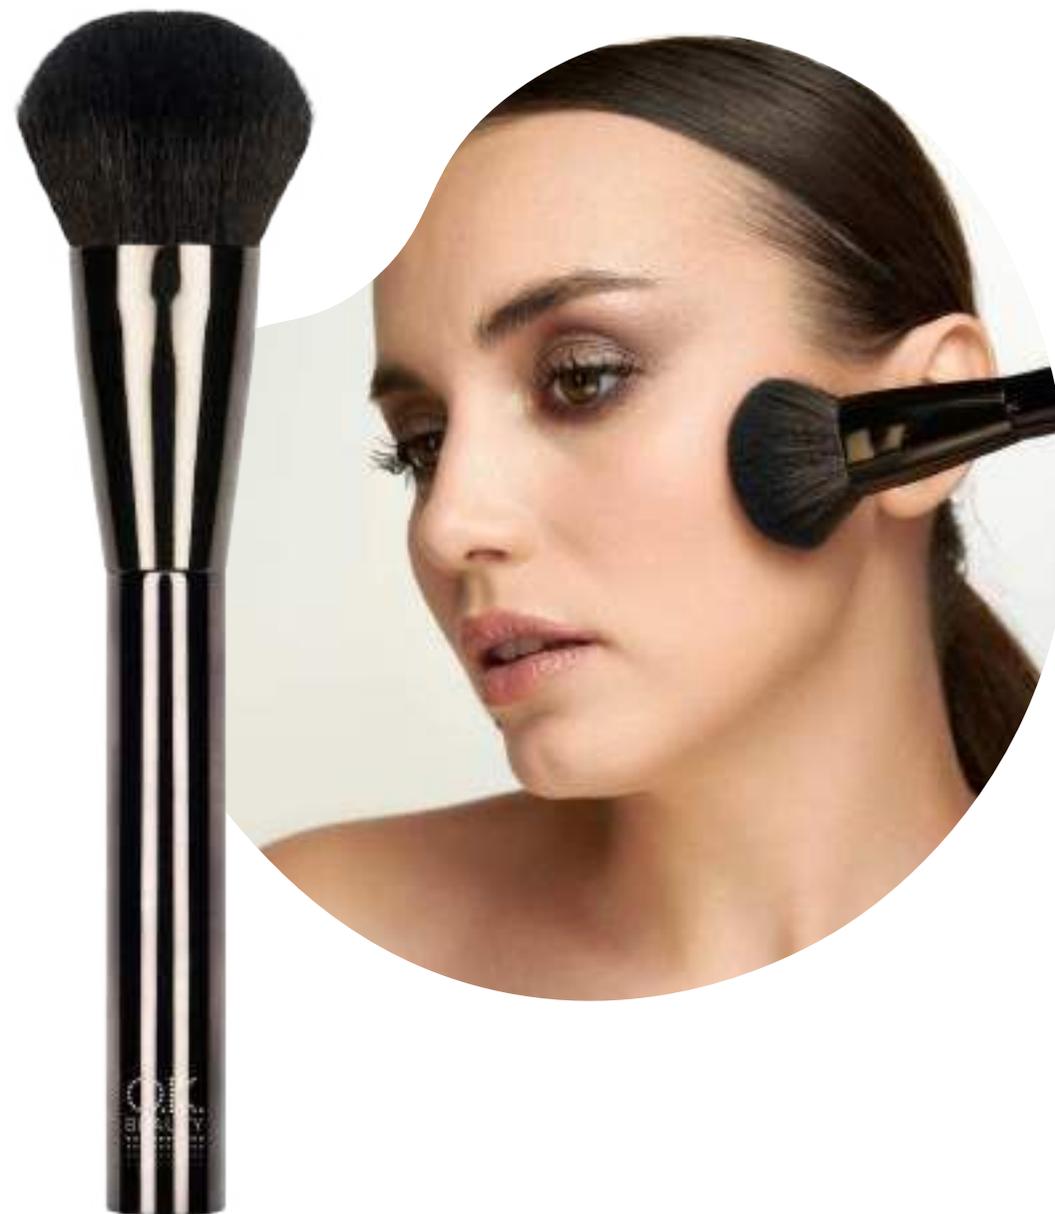

UNIVERSAL FACE BRUSH F04

PROPERTIES

- A multifunctional rounded brush with dense bristles designed for applying bronzer, powder, foundation and contouring with dry and cream textures. Provides even coverage from sheer to full, allows you to smooth out imperfections/pores and blend the coverage evenly to the desired level.
- Made from premium vegan corn fiber that mimics natural squirrel hair, it is particularly durable and soft, ensuring perfectly even application.
- Customized size and ergonomics allow for comfortable use of the brush for professional/everyday makeup and storage in a cosmetic bag.
- The set includes a mesh bag for storage, transport and washing, which preserves the shape of the brush and extends its service life.

HEIGHT WITH BRISTLES: 167 mm

POWDER BRUSH F05

PROPERTIES

- The fluffy, voluminous brush gently distributes any dry textures of powder, bronzer, highlighter, blush, "polishes" pores and creates a thin, weightless coverage.
- Made from premium vegan corn fiber that mimics natural squirrel hair, it is particularly durable and soft, ensuring perfectly even application.
- The customized size and ergonomic design allow you to comfortably use the brush for professional/everyday makeup and store it in your makeup bag.
- The set includes a mesh bag for storage, transport and washing, which preserves the shape of the brush and extends its service life.

HEIGHT WITH BRISTLES: 167 mm

DETAIL BRUSH E02

PROPERTIES

- A flat brush with short bristles for detailed work, applying and blending dry and cream textures: pencils, eyeshadows, eyeliner along the lash line and in the corners of the eyes, allows you to work on accents, stretch the pencil and eyeshadow into an arrow, also suitable for shaping eyebrows with dry and cream products.
- Made from premium vegan corn fiber that mimics natural squirrel hair, it is particularly durable and soft, ensuring perfectly even application.
- Customized size and ergonomics allow for comfortable use of the brush for professional/everyday makeup and storage in a cosmetic bag.

HEIGHT WITH BRISTLES: 135 mm

BARREL BRUSH E03

PROPERTIES

- The pointed barrel brush allows you to neatly blend dry and cream textures (eyeshadows and pencils), smooth out edges, distribute eyeshadows, pigments and pencils on the lower eyelid, define the upper crease and create accents in the corners of the eyes.
- Made from premium vegan corn fiber that mimics natural protein bristles, it is particularly durable and soft, ensuring perfectly even application.
- Customized size and ergonomics allow you to comfortably use the brush for professional/everyday makeup and store it in your makeup bag.

HEIGHT WITH BRISTLES: 137 mm

APPLICATION BRUSH AND EYESHADOW BLENDING E04

PROPERTIES

- This soft, flat brush allows you to control the intensity of dry and cream textures: eyeshadows and pigments, ensuring perfect application and blending. It is also convenient for applying concealer under the eyes, on the bridge of the nose and for adding detailed accents to the face. Suitable for all textures.
- Made from premium vegan corn fiber that mimics natural protein bristles, it is particularly durable and soft, ensuring perfectly even application.
- Customized size and ergonomics allow for comfortable use of the brush for professional/everyday makeup and storage in a makeup bag.

HEIGHT WITH BRISTLES: 145 mm

MEDIUM BLENDING BRUSH E05

PROPERTIES

- This fluffy, elongated, rounded brush for dry and cream textures is ideal for blending any eyeshadow, smoothing edges, working and defining the crease of the eyelid, and adding color accents to the face with any product.
- Made from premium corn-based vegan fiber that mimics natural protein bristles, it is exceptionally durable and soft, ensuring perfectly even application.
- Customized size and ergonomics allow for comfortable use of the brush for professional/everyday makeup and storage in a cosmetic bag.

HEIGHT WITH BRISTLES: 145 mm

FOR FACE

Comprehensive basic care
for all skin types

Multifunctional peeling lotion

REFINE & PEEL

PROPERTIES

- Formula based on highly concentrated AHA acids
- Multifunctional product: for face, hair and body
